The first of the year
was a very cold one
and the snow lay
on the ground for
many days. The
frost was very
severe and the
wind was very
strong. The
people were
very much
concerned
for the
crops. The
government
sent out
a number of
soldiers to
protect the
crops. The
soldiers were
very brave
and they
did their
best. The
crops were
saved and
the people
were very
happy. The
government
was very
kind and
they did
what was
right. The
people were
very
grateful
to the
government
and they
loved them
very much.
