

D. 440

Un hombre de unos treinta
años con una calentura
catarral complicada
con un dolor punctorio
al lado derecho, set, len-
gua oxida, y seca, se
ha curado a beneficio
de los temperantes ni-
trados, y sangrias.

Varias tercianas en di-
tintos sujetos, siguen
la misma orden de la
pasada remiada, y se
curan de mismo mo-
do.

My dear Mother
I have just received
your letter of the 10th
and was glad to hear
from you. I am well
and hope this finds
you the same. I have
not much news to write
at present. I am
very affectionately
yours
John
